

AMENDMENT #3

OFFERED IN THE HOUSE
TO: HB 164

BY REPRESENTATIVE HOLLAND

1 Page 2, lines 2 - 4:

2 Delete "that is served by an electric reliability organization and has total retail sales
3 exceeding 5,000,000 kilowatt-hours during a calendar year"

4

5 Page 2, following line 11:

6 Insert a new subsection to read:

7 "(b) A load-serving entity shall provide an alternative type of net metering
8 service for a consumer-generator that exports an insignificant amount of excess
9 electric energy to the load-serving entity and does not receive compensation for any
10 excess electric energy generation. A load-serving entity shall offer streamlined
11 approval for this type of net metering service under regulations adopted by the
12 commission and prioritize applications for this type of net metering service over
13 applications for the net metering service under (a) of this section."

14

15 Reletter the following subsections accordingly.

16

17 Page 2, line 12, following "service":

18 Insert "under this section"

19

20 Page 2, line 13:

21 Delete "July 1, 2025"

22 Insert "April 1, 2027"

23

1 Page 2, line 15:

2 Delete "not"

3

4 Page 2, lines 16 - 18:

5 Delete "unless the commission, after a hearing, finds that limitation is necessary to
6 protect system reliability or to prevent rates for customers that are not consumer-generators
7 from being unjust and unreasonable"

8 Insert ". The commission may require a load-serving entity to notify the commission
9 when the load-serving entity limits participation in the net metering service"

10

11 Page 2, line 23, following "for":

12 Insert "(1)"

13

14 Page 2, line 24:

15 Delete "(d)"

16 Insert "(e)"

17 Following "section":

18 Insert "; and

19 (2) implementing a streamlined application process for the net
20 metering service under (b) of this section"

21

22 Page 2, following line 24:

23 Insert new subsections to read:

24 "(g) The commission may not adopt a regulation that limits participation in a
25 load-serving entity's net metering service based on the total capacity of generation
26 systems used by consumer-generators participating in the service. This subsection
27 does not limit the authority of an electric reliability organization or the commission
28 under AS 42.05.760 - 42.05.790.

29 (h) This section applies only to load-serving entities that are served by an
30 electric reliability organization and have total retail sales exceeding 5,000,000
31 kilowatt-hours during a calendar year."

1

2 Reletter the following subsection accordingly.

3

4 Page 2, line 26:

5 Delete "an electric utility"

6 Insert "a load-serving entity"

7

8 Page 2, line 27:

9 Delete "electric utility"

10 Insert "load-serving entity"

11

12 Page 2, line 31:

13 Delete "an electric utility"

14 Insert "a load-serving entity"

15

16 Page 3, line 26:

17 Delete "July 1, 2025"

18 Insert "April 1, 2027"
