### **Senate Bill 89 – Physician Assistant Scope of Practice** **Summary of Changes** **Version 34-LS0063\O to Version 34-LS0063\W** **(Updated February 20, 2026)**

#### **Section 2**

This section is removed (Page 1, Line 14 – Page 4, Line 10).

Version W includes updated language relating to the location of physician assistant practice and collaborative agreement requirements.

Version W allows physician assistants to practice without a collaborative agreement when practicing within specific allowable facilities.

Version W maintains the collaborative agreement requirements for physician assistants practicing outside of those allowances.
