

SJR 25 - Supporting USMCA

- The United States-Mexico-Canada-Agreement (USMCA) is a 2020, bipartisan trade agreement that enables free, predictable and profitable trade in North America.
- USMCA is reviewed every six years, with 2026 being the first opportunity for continuance and modernization.
- SJR 25 supports the continuation and modernization of USMCA and removes unnecessary barriers to its efficacy.

Sponsor: Senator Scott Kawasaki

Staff: Samuel Marquardt

USMCA and Alaska

- Canada is Alaska's closest trading partner and the only one that shares a land border with Alaska.
 - Supply line efficiency increases
 - Non-trade related benefits
- The stability provided by USMCA is key to securing Alaska's economic future.
 - Investment opportunities
 - Alaska's businesses benefit
