Subject: SB 203 – This bill prohibits the possession, sale and distribution of so-called “Glock switch” devices
Date: Tuesday, February 17, 2026 9:51:17 PM

I support SB 203.

Alaskans have guns for legitimate reasons - for hunting, personal protection, and recreation.

There is no legitimate reason that Alaskans need to have parts to convert handguns into automatic weapons.
