Subject: Support SB 170 for Alaska Seniors

Dear Senate Finance Committee,

Our organization provides essential services to Alaskans in need. Pull-tab revenue plays a critical role in helping us meet these needs.

Expanding charitable gaming to include electronic tablet pull-tabs through SB 170 will help increase funding for non-profits like ours. The Minnesota experience shows that e-tabs grow overall revenue and benefit both charities and the state. This bill will help us continue caring for the Alaskans who need our services the most. We ask for your support.

Sincerely,

Wassily Alexie, President
