Petition: Reject SB 203!

***Whereas:** SB 203 expands Alaska's list of "prohibited weapons" to include vague and undefined "conversion devices," turning ordinary gun owners, hobbyists, and machinists into felons for mere possession;*

***Whereas:** SB 203 punishes possession instead of criminal conduct, violating due process and chilling the lawful exercise of the right to keep and bear arms;*

***Whereas:** SB 203 directly conflicts with the protections guaranteed by the Second Amendment and the Alaska Constitution by punishing innocent Alaskans for what they own;*

Alaska Gun Rights

Petition: Reject SB 203!

Whereas: SB 203 expands Alaska's list of "prohibited weapons" to include vague and undefined "conversion devices," turning ordinary gun owners, hobbyists, and machinists into felons for mere possession;

Whereas: SB 203 punishes possession instead of criminal conduct, violating due process and chilling the lawful exercise of the right to keep and bear arms;

Whereas: SB 203 directly conflicts with the protections guaranteed by the Second Amendment and the Alaska Constitution by punishing innocent Alaskans for what they own;

*Therefore: As your constituent, I urge you to **reject SB 203** and stand for liberty by defending the fundamental right to keep and bear arms against these unconstitutional schemes.*

Alaska Gun Rights

Petition: Reject SB 203!

***Whereas:** SB 203 expands Alaska's list of "prohibited weapons" to include vague and undefined "conversion devices," turning ordinary gun owners, hobbyists, and machinists into felons for mere possession;*

***Whereas:** SB 203 punishes possession instead of criminal conduct, violating due process and chilling the lawful exercise of the right to keep and bear arms;*

***Whereas:** SB 203 directly conflicts with the protections guaranteed by the Second Amendment and the Alaska Constitution by punishing innocent Alaskans for what they own;*

***Therefore:** As your constituent, I urge you to **reject SB 203** and stand for liberty by defending the fundamental right to keep and bear arms against these unconstitutional schemes.*
