FISCAL NOTE ANALYSIS

**STATE OF ALASKA
2026 LEGISLATIVE SESSION**

BILL NO. HB 260

Analysis

This legislation makes changes to the enforcement of contractor licensing and Certificate of Fitness requirements by authorizing administrative fines, establishing formal hearing and appeal procedures, and mandating escalating license suspensions and permanent revocation for knowing violations. It also makes project owners and contractors jointly and severally liable for unpaid construction wages, with some exceptions; establishes recordkeeping requirements; defines key construction-related terms; and allows wage recovery through private court actions.

It is not believed that this bill would have any fiscal impact on Wage and Hour.
