Subject: Support for SB 203
Date: Friday, February 27, 2026 3:11:13 PM

To the State Senate Affairs Committee,

I'm writing in support of SB 203. As a parent raising two young Alaskans, I urge the legislature to continue moving this bill through committee so that families like ours can rest easier knowing we aren't putting dangerous gun modifying devices into our communities.

Protect our kids and support SB 203.

Respectfully,
Kate
