

From: [Emily Kane](#)
To: [Senate State Affairs](#)
Subject: SB 203
Date: Sunday, March 1, 2026 12:34:18 PM

Please move this bill out of committee at the next hearing and on to the governor's desk. Bump stock ONLY exists to kill a lot of people quickly, so obviously there is no legitimate reason to allow it.

Thank you for your attention.
