FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION

BILL NO. SB126

Analysis

This bill clarifies the authority of the Department of Corrections commissioner to take actions intended to reduce the cost of housing prisoners, including consolidating facilities and designating prisoner placement. The Department already possesses broad authority to designate the placement of prisoners, including placement at facilities inside or outside the state, under AS 33.30.061. Accordingly, the bill does not create new authority, impose new mandates, or require changes to current operational practices.

The bill directs the Department to annually estimate the cost savings resulting from the alternative housing option selected and include those cost savings as part of the information compiled and submitted by the department under AS 37.07.050 and allows the legislature to appropriate an amount equal to the annual cost savings estimate provided in that report for education purposes.

The bill is intended as a cost-savings measure, and as such, the Department submits a zero fiscal note.
