BILL NO. HB 67

Analysis

Bill Language:

This bill extends the current film production tax credit, which will expire effective July 1, 2013, to June 30, 2023.

Under current law, the film production tax credit expires the earlier of July 1, 2013 or when total credits issued by the Film Office exceed \$100,000,000 in the aggregate. This bill limits the total amount of credits allowed to be awarded to \$100,000,000 before July 1, 2018 and an additional \$100,000,000 before July 1, 2023 with total aggregate credits limited to \$200,000,000.

Revenues:

This bill increases the total film production tax credit from \$100,000,000 to \$200,000,000 and extends the current film credit program another 10 years to June 30, 2023. The current program is set to expire July 1, 2013. It is difficult to determine the total affect on state revenues as a result of this bill. However, due to the limitations established in the bill, total decrease in corporate income tax revenue cannot exceed \$100,000,000 as a result of this bill.

Expenditures:

The department can implement the provisions of the bill with existing resources.
