**Subject:** Petition: Reject SB 206 - Stop This Trojan Horse Attack on the Second Amendment

Senate Health & Social Services Committee,

Below is a petition opposing Senate Bill 206.

**Whereas:** *SB 206 embeds firearms into a school harassment and suicide reporting framework, falsely equating lawful gun ownership with violence and self-harm;*

**Whereas:** *SB 206 invites state agencies and schools to pressure families about how they access and store firearms—without any allegation of wrongdoing or due process;*

**Whereas:** *SB 206 establishes a new firearm safe storage grant fund and grants open-ended regulatory authority to the Department of Administration, creating the infrastructure for future mandates and enforcement;*

**Whereas:** *SB 206 normalizes government involvement in private firearm decisions and lays the groundwork for compulsory storage laws, inspections, and penalties;*

**Whereas:** *SB 206 shifts firearms from a constitutionally protected right into a “public health risk” category, undermining the Second Amendment and Article I, Section 19 of the Alaska Constitution;*

**Therefore:** *As your constituent, I urge you to **REJECT SB 206** and stand for liberty by opposing this Trojan Horse attack on the right to keep and bear arms and the rights of Alaska families.*

Signed:

Joyce Colbenson
