### HB 346 Version A (34-LS1497\N) Sectional Analysis

**Section 1:** Amends AS 35.30.020 to require the Department of Transportation to comply with local planning ordinances establishing buffer zones adjacent to airport property.

- Allows deviation from local planning ordinances if compliance would create a hazard for aircraft.
- Allows removal of an existing buffer when necessary for safety purposes, provided that the Department has provided public notice and implemented additional mitigation measures to reduce the impact on adjacent residents.
