In the original bill the lower parking was listed in section 20 not section 21, this is a language correction for the fix.

Please add this to the record also.

Shonda,

The bill, from my understanding, is to simply make adjustments to the Jonesville Public Use Area boundary that reflect the following:

Go back to your map from SB 230. Then look at this one. Top right of mine, you see how it is Coyote Lake Rec Area? That is a Borough Parcel that is no longer managed as a Rec Area. So, remove it from JPUA Boundary. Then the bottom box outlined in red, DNR Lands, is what Sen Rauscher wants added into JPUA boundary.

If you want more Here is the [JPUA Management Plan](#). JPUA is part of the Moose Range.
