Public Testimony

Chairman and committee members,

My name is Susan Allmeroth of Two Rivers representing myself. I fully support HSCR 1 as written. Disapproving Executive Order No.136 is under the legislatures full authority to execute. Creating such additional organization at this time would only increase Administrative expenses and Operational redundancies while diminishing Legislative Oversight and enhancing Executive control. I fully give my complete support to the legislature to secure its own power from being seized.

Thank you for the opportunity to testify,
Susan Allmeroth
