FISCAL NOTE ANALYSIS

STATE OF ALASKA
 2026 LEGISLATIVE SESSION

Analysis

This legislation enacts a Social Work Licensure Compact. This will add an additional pathway to licensure for social workers. This reduces barriers to licensure and adds portability. As of January 2026, the compact has been enacted in 30 states.

If the bill passes, a regulations project with the Department of Law will be required. However, the cost of a regulations project will be absorbed by the existing authority and will likely rolled into other regulations projects.

Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by receipt supported services, fund source 1156 Rcpt Svcs (DGF). Per AS 08.01.065, licensing fees for each program are set so the revenue collected approximately equals the occupation's actual regulatory costs.
