Senate Bill 226 (Version A)

Sectional Analysis

“An Act relating to the sale of homemade food.”

Section 1. Amends AS 17.20.332(b): Exemption for Homemade Food.

This section adds potentially hazardous homemade food in low oxygen packaging to the list of foods that cannot be sold at any location.

Section 2. Adds new subsections to AS. 41.21.122: Management Responsibility.

Adds a definition of “**reduced oxygen packaging**”, meaning a packaging method that removes oxygen to create a vacuum seal or preserve quality.
