- 74,882 seventeen year olds were licensed, this is 1.5% of the total

## Provisional Licensed Drivers

- Provisional Licensed Drivers are hazardous due to:
  - Apprehension
  - Lack of experience
  - Weather conditions
  - No drivers education requirement
  - Alaska's diversity from other states

## Solution

- A person holding a provisional driver's license shall display in the rear window of each vehicle operated by the person a sticker issued by the department that identifies that the vehicle is operated by a provisional licensee..

## Why This Solution?

- This is a simple solution to benefit Alaskan drivers.
- It will impress other driver's to be more cautious driving around the novice teen driver
- It will provide other drivers the information necessary to understand the Provisional Licensee's position
- This will assist law enforcement officers in implementing the law

## Enforcement

- Failure to display a sticker as required by this subsection is an infraction and may be punished by a fine of not more than \$200. .

## Procedures

- The state of Alaska will supply the Department of Motor Vehicles with stickers to distribute to those persons acquiring an Provisional License
- Those acquiring a Provisional License will pay for the sticker as part of the permitting process.
- Sticker will be placed on the rear window of the operating vehicle

## Summary

- Teen drivers with Provisional License are statistically more hazardous to themselves and other Alaskans
- Require Provisional drivers to identify their status
- Reduce the number of accidents and infractions in Alaska, and help save Alaskan lives
