Subject: Stop Judicial Corruption Now or Our Liberties and Your Legislative Power Will Be Lost Forever
Date: Tuesday, March 17, 2026 8:27:50 AM

Dear Senate Affairs Committee,

The subject line of this email says it all...

Do your job as a co-equal branch of government or lose all your power to a corrupt, self-serving, all-powerful judiciary FOREVER.

This situation should never have become necessary in the first place. Please just fix it!

Respectfully yours,

Michael L Kelly, Lt Col, USAF (Retired)
