2 Insert a new section to read:

3 "Sec. 43.22.115. **Maximum combined tax.** The tax under this chapter, when  
4 combined with an income tax imposed by a local government, may not exceed 12  
5 percent of an individual's income. If the combined tax on an individual's income  
6 exceeds 12 percent and the income tax imposed by a local government is

7 (1) less than 12 percent of an individual's income, the income tax  
8 under this chapter is reduced until the total combined tax on the individual's income no  
9 longer exceeds 12 percent; or

10 (2) more than or equal to 12 percent of an individual's income, the tax  
11 under this chapter is zero."
