HB 317 Version A (34-LS0765\N) Sectional Analysis

Section 1: Amends AS 44.42.020 by adding to the duties of the Department of Transportation and Public Facilities.

- Requires the Department to adopt a prioritization program for the maintenance of transportation facilities in wildland-urban interface (WUI) areas.

Section 2: Amends uncodified law to require that the Department:

- Develop criteria for prioritizing maintenance of critical routes in WUI areas;
- Solicit input from local jurisdictions and community stakeholders;
- Create a prioritized list of state roads for wildfire preparation, road maintenance, and vegetation management; and
- Report to the legislature on its methodology and prioritization plan.
