Sectional Analysis

HB 39 **Utility Refunds** **Draft CS Version D**

Section 1 requires that utilities have an approved refund procedure in place before they can apply to the RCA for an interim and refundable rate or agree to follow a refund plan that was pre-approved by the Commission. Section 1 also establishes factors that must be addressed by the pre-approved plan.

Section 2 requires that the RCA develop guidelines for implementing section 1, in consultation with utilities and other interested parties, that will allow for refund plans to be approved in the most efficient manner possible before section 1 takes effect.

Section 3 establishes a January 1, 2012 effective date for section 1.

Section 4 establishes an immediate effective date for section 2.
