## **Work Experience Summary**

### **July 2025 – Present – Superintendent of Schools Bristol Bay Borough School District – Naknek, AK**

As Superintendent of Schools for the Bristol Bay Borough School District in Naknek, Alaska, I serve as the chief executive and instructional leader responsible for district-wide vision, operations, and educational excellence. I provide strategic leadership in curriculum and instructional improvement, oversee budgeting and resource allocation, manage personnel recruitment and evaluation, and ensure compliance with state and federal regulations. My role includes advising and supporting the School Board, directing facilities and operational systems, and cultivating strong relationships with staff, families, tribal partners, and community stakeholders. I also represent the district in regional and statewide forums. As a current member of the Professional Teaching Practices Commission, I actively uphold and promote ethical and professional standards for educators across Alaska.

### **July 2022 – June 2025 - Superintendent of Schools - Ketchikan Gateway Borough School District - Ketchikan, AK**

Serving as the Superintendent, I have provided overarching leadership, ensuring the district's alignment with educational standards and community expectations. My tenure has been characterized by innovative educational initiatives, strong fiscal management, and a deep commitment to fostering a collaborative environment among teachers, administrators, and the wider community. A highlight of my leadership was the successful implementation of a district-wide strategic plan that resulted in a 9% increase in student graduation rates and a 10% improvement in the Native Alaskan graduation rate to 83%. Moreover, I prioritized regular engagement with parents, local businesses, and community organizations, believing in a holistic approach to education. My commitment to professional development led to the initiation of a series of programs that boosted staff morale, proficiency, and retention.

### **July 2018-June 2022 - Principal - Lower Kuskwokim School District Nelson Island School (Principal 2019-2022) - Toksook Bay, AK Quinhagak (Vice Principal 2018 –2019) - Quinhagak, AK**

As the School Principal, I provided leadership and vision to both the academic and administrative sectors, consistently emphasizing continuous improvement and prioritizing student achievement. During my tenure, I spearheaded the development and implementation of a strategic vision in collaboration with a dedicated staff. One of my proudest accomplishments was increasing the graduation rate from 36% the year before I joined the school to 90% in my final year.
