Dear Gentlemen,

I am writing to ask you to **support funding for Blood Bank of Alaska's new facility, CAPSIS TPS Number #58040v1**. This important project affects the safety and health of all Alaskans.

As a blood donor, I have the opportunity to give the gift of life and help patients across Alaska. My blood can travel to communities around the state and save lives from Bethel to Nome, from Anchorage to Petersburg, and from Fairbanks to Cordova.

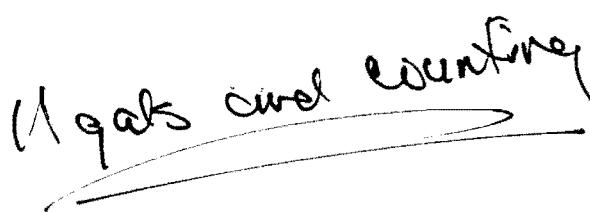

A new facility would help ensure Alaska has a safe and sufficient blood supply. Please support Blood Bank of Alaska!

Thank you!

Sincerely,

Dedicated Blood Donor and Life Saver

*Alaska and everyone*
