A RESOLUTION

1 **Supporting the continued development of the Alaska Liquefied Natural Gas Project;**
2 **recognizing the importance of the Alaska Liquefied Natural Gas Project to the economy**
3 **of the state, energy independence, and national security; and urging the United States**
4 **Congress, President Donald J. Trump, Secretary of the Interior Douglas Burgum, and**
5 **relevant federal agencies to take all necessary actions to expedite the success of the**
6 **Alaska Liquefied Natural Gas Project.**

7 **BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

8 **WHEREAS** the state has long played a critical role in the energy independence of the
9 nation, with its vast natural gas resources representing the largest untapped reservoir in North
10 America; and

11 **WHEREAS** the Alaska Liquefied Natural Gas Project, a long-envisioned pipeline and
12 export facility connecting North Slope gas to global markets, would create thousands of high-
13 paying jobs for state residents and generate long-term state and local revenue; and

14 **WHEREAS** the state is rich in natural resources but also immense in size, which

1 makes supplying reliable, cost-effective energy a challenge; and

2 **WHEREAS** residents from Fairbanks to Fort Yukon face tremendous energy costs
3 that could be alleviated by the completion of the Alaska Liquefied Natural Gas Project and the
4 exportation of liquefied natural gas around the world; and

5 **WHEREAS** recent federal support and attention under the administration of President
6 Donald J. Trump, including by the Executive Order "Unleashing Alaska's Extraordinary
7 Resource Potential," which was signed by President Trump on his first day in office, and
8 President Trump's remarks during his March 6, 2025, address to Congress, underscore the
9 strategic importance of the project and represent a major acceleration in momentum; and

10 **WHEREAS** President Trump has consistently voiced strong support for the Alaska
11 Liquefied Natural Gas Project and the right of the state to responsibly develop its natural
12 resources; and

13 **WHEREAS** the project is poised to become a cornerstone of economic revitalization
14 in the state, providing reliable long-term infrastructure for both domestic energy security and
15 global export opportunities; and

16 **WHEREAS** the Alaska Liquefied Natural Gas Project has advanced environmental
17 reviews, permitting, and international interest, signaling readiness for final-stage federal
18 support, financing, and permitting coordination; and

19 **WHEREAS** the Alaska Liquefied Natural Gas Project is the only federally authorized
20 liquefied natural gas export project on the Pacific Coast of the United States, creating a short,
21 direct energy corridor that avoids canal chokepoints and contested waters to enable our allies
22 to reliably access liquefied natural gas from the state instead of relying on adversarial nations;

23 **BE IT RESOLVED** that the Alaska State Legislature strongly supports the rapid
24 advancement and construction of the Alaska Liquefied Natural Gas Project and recognizes its
25 critical and strategic role in the future of the state and the energy security of the United States;
26 and be it

27 **FURTHER RESOLVED** that the Alaska State Legislature expresses its sincere
28 appreciation for President Trump's leadership and support for the Alaska Liquefied Natural
29 Gas Project and respectfully requests the support of Douglas Burgum, United States Secretary
30 of the Interior, the Department of Energy, the Federal Energy Regulatory Commission,
31 members of the Alaska delegation in Congress, and all relevant federal agencies to expedite

1 approvals, coordinate agency review, and ensure federal partnership for this vital project.

2 **COPIES** of this resolution shall be sent to the Honorable Donald J. Trump, President
3 of the United States; the Honorable Douglas Burgum, United States Secretary of the Interior;
4 the Honorable Chris Wright, United States Secretary of Energy; the commissioners of the
5 Federal Energy Regulatory Commission; and the Honorable Lisa Murkowski and the
6 Honorable Dan Sullivan, U.S. Senators, and the Honorable Nicholas Begich, U.S.
7 Representative, members of the Alaska delegation in Congress.
