**FOR AN ACT ENTITLED**

1   **"An Act relating to insurance coverage for contraceptives and related services; relating**  
2   **to medical assistance coverage for contraceptives and related services; and providing for**  
3   **an effective date."**

4   **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF ALASKA:**

5    \* **Section 1.** AS 21.42 is amended by adding a new section to read:

6           **Sec. 21.42.427. Coverage for contraceptives.** (a) A health care insurer that  
7           offers, issues for delivery, delivers, or renews in the state a health care insurance plan  
8           in the group or individual market shall

9                   (1) provide coverage for

10                           (A) prescription contraceptives; and

11                           (B) consultations, examinations, procedures, and medical  
12           services that are necessary to prescribe, dispense, insert, deliver, distribute,  
13           administer, or remove the drugs, devices, and other products or services  
14           provided under this paragraph;

1 (2) reimburse a health care provider or dispensing entity for dispensing  
2 prescription contraceptives intended to last for a 12-month period for subsequent  
3 dispensings of the same prescription contraceptive to the insured regardless of whether  
4 the insured was enrolled in the health care insurance plan at the time of the first  
5 dispensing.

6 (b) A health care insurer may not deny coverage or reimbursement under (a)  
7 of this section because an insured changed contraceptive methods within a 12-month  
8 period.

9 (c) Except as provided in (d) of this section, a health care insurer may not  
10 offset the costs of compliance with (a) of this section and may not require copayments  
11 or deductibles for contraceptives or services covered under (a) of this section.

12 (d) A health care insurer shall establish cost sharing for the coverage provided  
13 under (a) of this section to the extent necessary to qualify a plan as a high deductible  
14 health plan eligible for a health savings account tax deduction under 26 U.S.C. 223  
15 (Internal Revenue Code).

16 (e) A health care insurer may not restrict or delay the coverage or  
17 reimbursement required under (a) of this section, including use of medical  
18 management techniques, such as denials, step therapy, or prior authorization, that limit  
19 an insured's choice in accessing a full range of prescription contraceptives. Nothing in  
20 this subsection prevents a health care insurer from enacting reasonable cost  
21 containment measures in relation to the coverage required under (a) of this section if  
22 the cost containment measure does not unreasonably limit choice in access to  
23 coverage. In this subsection, "cost containment" means incentivizing the use of  
24 generic or lower cost medications or the use of health care providers or pharmacies  
25 that offer services or prescriptions at a lower negotiated rate.

26 (f) If the covered therapeutically equivalent version of a prescription  
27 contraceptive is not available or is considered medically inadvisable by the health care  
28 provider of the insured, a health care insurer shall provide coverage without cost  
29 sharing for an alternative therapeutically equivalent version of the prescription  
30 contraceptive that is prescribed for the insured.

31 (g) A health care insurer shall provide coverage and reimbursement under (a)

1 of this section to all insureds enrolled in a health care insurance plan, including  
2 enrolled spouses and dependents.

3 (h) A health care insurer that offers, issues for delivery, delivers, or renews in  
4 the state a health care insurance plan in the group market to a religious employer is  
5 exempt from the requirements of this section with respect to the health care insurance  
6 plan of the religious employer if the religious employer opposes the coverage required  
7 under this section and is an organization that meets the criteria set out in 26 U.S.C.  
8 6033(a)(3)(A)(i) or (iii) (Internal Revenue Code of 1986), as amended. A religious  
9 employer that opposes coverage under this subsection shall provide a list of the  
10 contraceptives or services described in (a) of this section for which the religious  
11 employer opposes coverage

12 (1) to each prospective enrollee in the religious employer's health care  
13 insurance plan before the enrollee's enrollment in the plan; and

14 (2) annually to all insureds enrolled in the religious employer's health  
15 care insurance plan.

16 (i) In this section, "prescription contraceptive" means a drug or device that  
17 requires a prescription and is approved by the United States Food and Drug  
18 Administration to prevent pregnancy.

19 \* **Sec. 2.** AS 29.10.200 is amended by adding a new paragraph to read:

20 (68) AS 29.20.420 (health care insurance plans).
