### **Constitutional Amendment: Education Fund**

Senate Joint Resolution 29 proposes an amendment to Article IX of the Alaska Constitution. SJR 29 will create a new section in the constitution to allow the Legislature to create an education fund as a separate fund in the state treasury. Money in this fund may be appropriated only for public education.

If Senate Joint Resolution 29 passes the legislature, the resolution will appear on the ballot for registered Alaskan voters to consider in the next statewide general election.
