## MEMORANDUM

**TO:** Representative Sara Hannan, Chair  
Legislative Council

**FROM:** Shay Wilson, Chief Information Officer *BSW*

**DATE:** April 10, 2026

**SUBJECT:** ADA Website Compliance Statement

The attached Americans with Disabilities Act (ADA) Website Compliance Statement is provided for Legislative Council's review and consideration.

Recent federal regulations require public entities to ensure that web content is accessible to individuals with disabilities. The Legislature and its supporting agencies have undertaken significant efforts to improve accessibility of legislative materials and online content and will continue those efforts moving forward.

As outlined in the attached statement, the volume and nature of legislative materials—including documents produced internally and those received from third parties—present ongoing challenges to achieving full compliance within the required timeframe. The statement reflects the Legislature's current status and its continued commitment to improving accessibility and access to legislative information.

Adoption of the attached statement will formally document the Legislature's position and ongoing efforts with respect to ADA website accessibility requirements.
