Education

Western Washington University
May 1988 | B.A. of Accounting

Experience

I am the Branch Manager for Wells Fargo Advisors and I manage the Advisors for the State of Alaska. I started with Wells Fargo Advisors in 2014 and I have been a Financial Advisor for over 30 years.

Skills

- I have really enjoyed my 1st term on the ACJC as a Public member. I have learned a lot serving with both attorneys and judges. I believe my skills of problem solving, being able to analyze situations, collaboration, critical thinking, open mindedness, and teamwork have added to my ability to serve both the Commission and the people of the State of Alaska well.

Other

I am an Eagle Scout which I achieved in 1983

I enjoy Travel, Camping, Music, and attending hockey games.

It has been a pleasure to serve on the ACJC and I would like the opportunity to continue for another term.
