Summary of Changes Senate Bill 143

The Senate Community & Regional Affairs Committee adopted the following changes:

CSSB143(EDC), version N to CSSB143(CRA), version I

Title change: add “relating to the size of the city council in second class cities;”

Section 2: Insert new section, AS 29.20.130 to allow communities of less than 1000 residents to establish a city council between 3-7 members by ordinance.

Renumbered subsequent sections accordingly.

The Senate Education Committee adopted the following changes:

SB143, version A to CSSB143(CRA), version N

The phrase “approved by voters” was added to Section 3 (*Section 4 in version I*). As a result, a vote of the people would be required before the governing body of a municipality can alter the terms of office for school board members.
