

City of Tanana
P.O. Box 249
Tanana Ak, 99777

The population of Tanana has decreased under the mandatory number of 400 residents for becoming and maintaining a 1st class City. The last census had Tanana at the low 200 range of residents.

This low amount of residents does not allow us the ability and tax base to run a 1st class City

On the *27th of Feb* 2023 the Council of the City of Tanana voted and approved making the change from a 1st class City to a 2nd class City.

Mayor, Dorothy Jordan
