Hi Stuart,

Thanks again for your understanding. I agree, this is a good plan. I've provided contact information for initiative committee members below. The only group currently registered in opposition to an initiative is "Protect Alaska Elections," in opposition to 24ESEG. Since the opposition groups don't formally register with the Lt. Governor's Office or the Division of Elections, I've included a link to the contact information they provided to APOC. Please let me know if there is any additional information I can provide.

1. 23RCF2 - An Act restoring campaign contribution limits for campaigns for state and local office

Initiative Committee Members:

2. 24ESEG - Repeal the open primary and ranked choice general elections
