MEMORANDUM

TO: Members of the Legislative Budget and Audit Committee

FROM: Kris Curtis, Legislative Auditor

DATE: April 16, 2026

RE: RFP 26-33-02 - Anchorage Legislative Audit Lease
RFP 26-33-03 – Cyber Security Assessments of Select State IT Systems

At the April 22nd Legislative Budget and Audit Committee meeting, I will be asking for your consideration and approval of a long-term lease for the Legislative Audit Anchorage office space as well as a contract for cyber security assessments of select State IT systems.

RFP 33-26-02 was issued on December 18, 2025 to solicit proposals for Anchorage office space. This was the second attempt at solicitation. The first attempt resulted in no reasonable proposals.

RFP 33-26-03 was issued on March 6, 2026 to solicit proposals for cyber security reviews of select State IT systems. The cyber security reviews are needed in support of an IT security audit.

Sec. 195 (Disclosure of Proposals) of the Legislative Procurement Procedures requires that the contents of proposals be held confidential until the notice of intent to award is issued. In compliance with these procedures, the proposals will be discussed during executive session, at which time the details will be provided.

Thank you for your consideration. If you have any questions, I can be reached at 465-4199
