Chartered in 1938, the SIU is the largest North American union representing merchant mariners.

Members typically enjoy competitive wages and excellent benefits, often including medical coverage for family members and a defined-benefit pension. The pension and medical plans are fully funded and in excellent financial shape.

Founded in 1967, the Paul Hall Center features a comprehensive course schedule that includes

world-class instruction in marine fire-fighting safety and simulator training. The school is funded by contributions from maritime companies that are signatory to contracts with the SIU. The Paul Hall Center offers a highly regarded apprentice program that is certified by the U.S. Department of Labor.
