Approved By:	Hannah Lager, Administrative Services Director	Date:	04/17/26
Agency:	Department of Commerce, Community, and Economic Development		

FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2026 LEGISLATIVE SESSION

BILL NO. HB 225

**Analysis**

This legislation prohibits any person from adding fluoride to a public water system. It authorizes the Chief Medical Officer (CMO) to issue a standing order permitting designated pharmacists to dispense fluoride supplements without a prescription to specified patients, provided the pharmacist complies with the patient counseling requirements.

This legislation affects the division because the division houses the Board of Pharmacy. The Board will be responsible for establishing the standards for reviewing and approving the CMO's standing order for fluoride supplements, as well as enforcing compliance with the standing order among licensed pharmacists.

If the bill passes the following expenses will be incurred: Services: \$4.7 (legal costs for regulations project to conform with statutory changes). The division can absorb this cost within existing receipt authority.

*Professional licensing programs within the Division of Corporations, Business and Professional Licensing are funded by Receipt Supported Services, fund source 1156 Rcpt Svcs (DGF). Per AS 08.01.065, licensing fees for each occupation are set so the total amount of revenue collected approximately equals the occupation's actual regulatory costs.*
