Component Budget Summary

Component: Catastrophic and Chronic Illness Assistance (AS 47.08)

Contribution to Department's Mission

Enable eligible Alaskans to manage their chronic medical illnesses and conditions.

The Catastrophic and Chronic Illness Assistance is a state-funded program for low-income Alaskans who have inadequate or no health insurance, but who do not qualify for Medicaid. Catastrophic and Chronic Illness Assistance provides limited services to eligible individuals only if diagnosed with one of the following conditions:

- Terminal illness
- Cancer requiring chemotherapy
- Chronic diabetes or diabetes insipidus
- Chronic seizure disorder
- Chronic mental illness
- Chronic hypertension

Covered services for those who qualify for Catastrophic and Chronic Illness Assistance are limited to:

- Medical services provided by a physician, advanced nurse practitioner, and physician assistant in the practitioner's office or an outpatient clinic
- Outpatient hospital services limited to chemotherapy and radiology for the treatment of cancer
- Three (3) prescriptions per month and medical supplies limited to a 30-day supply

Core Services

- Provide payment for Catastrophic and Chronic Illness Assistance services.

Major Component Accomplishments in 2023

The Catastrophic and Chronic Illness Assistance program experienced the anticipated 100 percent decrease in number of enrolled recipients from FY2016 to FY2021 due to Medicaid expansion, from 704 to 0, and the decrease in expenditures, from \$450.1 in FY2016 to \$0.0 in FY2023.

Key Component Challenges

- Catastrophic and Chronic Illness Assistance provides no coverage for inpatient hospitalization, transportation, and other services that are mandatory under Medicaid coverage.
- Challenges that previously existed with the Catastrophic and Chronic Illness Assistance program are mitigated by the expansion of Medicaid. Except for qualified immigrants who have not yet met the Personal Responsibility and Work Opportunity Reconciliation Act (PRWORA) of 1996 five-year waiting period for Medicaid eligibility, most individuals who qualified for the program now qualify for full coverage under Medicaid expansion.

Significant Changes in Results to be Delivered in FY2025

- No significant changes in results to be delivered.
