Subject: No new Seal
Date: Wednesday, February 4, 2026 7:22:57 PM

Senators, please do not change the state seal! We have a wonderful seal. We do not need to change it. I'm sure you guys can find more important things to do! drop it! Maintain the seal that we have! Thank you for your time. Stop wasting money on this kind of woke BS. Keep the Seal we have.
