FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION

BILL NO. SB032

Analysis

This bill amends the statute regarding the justification for a peace officer to use force to effect an arrest or prevent an escape. The bill adds language to limit the use of a carotid restraint or other similar restraints that impede a person's breathing or blood flow likely to result in loss of consciousness except in situations in which deadly force is authorized.

The Department of Public Safety policy requires the application of this technique be restricted to situations in which the use of deadly force would be authorized. There is no anticipated fiscal impact.
