

AMENDMENT

OFFERED IN THE HOUSE

BY REPRESENTATIVE FIELDS

TO: CSHB 292(HSS)

1 Page 2, lines 12 - 13:

2 Delete "treatment guidelines developed by a consortium convened for the purposes of
3 researching, identifying, and publishing best practice standards"

4 Insert "nationally recognized clinical practice treatment guidelines"
5

6 Page 3, following line 9:

7 Insert a new paragraph to read:

8 "(1) "nationally recognized clinical practice treatment guidelines"
9 means evidence-based clinical practice guidelines developed by a nationally
10 recognized independent organization or medical professional society using a
11 transparent methodology and reporting structure with a conflict of interest policy and
12 for which the standards of care are informed by recommendations intended to
13 optimize patient care, systematic review of evidence, and assessment of the benefits
14 and risks of alternative care options."
15

16 Renumber the following paragraphs accordingly.
