Notes: i) Includes published final decisions on appeals, published memorandum decisions on petitions for review, and published memorandum decisions on non-final orders (e.g., attorney fees, motion for stay).

ii) Includes appeals and petitions for review from both published and unpublished decisions and orders issued in the calendar year listed.

iii) Supreme Court orders dismissing an appeal, remanding or vacating the Commission decision, or denying a petition for review do not affirm or reverse the Commission's decision. This column reflects the outcome of appeals from Commission decisions issued in the calendar year listed.

iv) The AWCAC was formed in November 2005. As a result, 2005 is not factored into annual averages due to lack of data.
