FISCAL NOTE ANALYSIS

STATE OF ALASKA
2023 LEGISLATIVE SESSION**Analysis**

This bill creates several new crimes that are Class B misdemeanors. The bill prohibits a person from repeatedly contacting emergency services to report an incident that has been previously reported after an emergency worker instructs the person to stop making contact. The bill also prohibits making repeat contacts to emergency services knowing there is no emergency or threatening an emergency worker.

New crimes result in additional workload for Office of Public Advocacy. At this time it is unclear how many additional cases will result from this change, however the agency believes the impact will be minimal and the agency can absorb the additional cases with existing resources. The agency therefore submits a zero-dollar fiscal note.
