FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION**Analysis**

This bill creates violations for certain fish and game offenses; amends fines relating to hunting and commercial fishing violations; and allows lost federal matching funds from Pittman-Robertson and Dingell-Johnson/Wallop-Breaux programs to be included in an order of restitution. The bill would allow the court or municipality to dismiss a citation for a person sport fishing, hunting, or trapping without a license in their physical possession upon proof of compliance. These violations, amendments to fines, change in order of restitution, and allowing for citation dismissal would not have a fiscal impact on the department.
