FISCAL NOTE ANALYSIS

STATE OF ALASKA
2017 LEGISLATIVE SESSION**Analysis**

Amends State Statutes to comply with Federal Statutes and Rules for the Office of Long Term Care Ombudsman.

Removes the option for mandatory reporters to meet reporting requirements by submitting report to the OLTCO and clarifies the difference in the role of the Long Term Care Ombudsman and the roles of Adult Protective Services and the (Health Care Services) licensing division.

This necessary clarification does not add additional duties and does not have a fiscal impact to the Adult Protection Unit. Historically, Adult Protection has always conducted investigations and made determinations on all allegations of maltreatment.
