Approved By:	Karen Morrison, Deputy Commissioner	Date:	01/29/25
Agency:	Department of Education and Early Development		

## FISCAL NOTE ANALYSIS

STATE OF ALASKA  
2025 LEGISLATIVE SESSION**Analysis**

This bill amends the public school funding formula in AS 14.17. In AS 14.17.410, the bill removes the 0.9 funding factor on correspondence average daily membership (ADM) and moves the correspondence ADM into the district adjusted ADM calculation before the special needs and secondary school vocational and technical instruction (CTE) factors are applied. The bill also increases the AS 14.17.420 CTE factor from 1.015 to 1.04. The projected increase to State aid starting in FY2026 is \$75,213.2.

The effective date for these provisions is July 1, 2025 (FY2026).

*The funding mechanism is a general fund transfer to the Public Education Fund (PEF). The fiscal note effect for FY2026 through FY2031 is reported in the fiscal note for the PEF, as the funding is deposited to the PEF, not into the Foundation Program funding component. The above analysis is presented here for explanation purposes only.*
