HB 249

“An Act relating to the transfer of a vehicle to an insurance company”

Explanation of Changes v.\A to v.\N

The changes in HB 249 between version A and the current version N, eliminated subsection “(b)” from the proposed bill.

Subsection “(b)” was language that said “The insurance company shall indemnify and hold harmless the department” for claims under this section.

Technical and conforming changes were made to renumber and section the bill after subsection (b) was removed.
