

Colin Maynard, PE, SE, F.NSPE

Mr. Maynard is a retired structural engineer who had a distinguished 42-year career in designing buildings, trail bridges, oil patch modules, and steel tanks. He has been involved in many community and professional organizations throughout his career.

Education

Honors Graduate, West Anchorage High School, 1975

Bachelor of Science in Civil Engineering, Massachusetts Institute of Technology, 1982

Master of Science in Civil Engineering, University of Colorado, Boulder, 1987

Experience

Skilling, Helle, Christiansen, Robertson, New York, NY, 1980-1983, Design Engineer

Designed steel and concrete structures primarily on the East Coast, including a 43-story steel-framed gothic glass tower in Pittsburgh, PA, a three-story underground concrete parking garage for that building, two pre-cast concrete parking garages, and the design of the 1982 Anchorage Museum Addition (through design development phase).

Skilling, Ward, Rogers & Barkshire, Anchorage, AK, 1983-1985, Project Engineer

Designed several steel, wood, and masonry buildings across Alaska, including Industrial Indemnity Building (Tudor & B) in Anchorage, Eagle Financial Center in Eagle River, First Interstate Bank Building in Soldotna, and Valley River Center in Eagle River.

Colin Maynard Consulting, Anchorage, AK, 1987-1988, Owner

Performed structural designs and project quality control on a contract basis for Delta Construction, Tryck, Nyman, & Hayes, and Smith-Nelson Engineers. Projects included a Child Care Center on Ft. Wainwright and the Shemya Fire Station Addition.

Tryck, Nyman, and Hayes, Anchorage, AK 1988-1989, Senior Project Engineer

Designed several steel, masonry, and wood framed buildings across the state, including Federal Express International Sort Facility, Phases 1 & 2.

Andersen, Bjornstad, Kane, Jacobs, Anchorage, AK 1989-1996, Senior Project Engineer

Designed numerous steel, masonry, and wood framed structures across the state including Homer Ferry Terminal, North Star School in Kodiak, Ketchikan High School Remodel and Addition, Phases 1-4, Unalaska Clinic, and Adak Middle School.

BBFM Engineers, Anchorage, AK 1996-2021, Principal

Principal-in-charge for numerous projects of various sizes, including NSHC Wellness Center in Nome, Tanana Chiefs Clinic Addition in Fairbanks, Teeland Middle School in Wasilla, Fawn Mountain Elementary School in Ketchikan, the Museum of the Aleutians in Unalaska, and the ENI Drilling Modules on Spy Island.

Professional Registration

Civil Engineer, Alaska, 1988 (Retired)

Structural Engineer, Alaska, 2013 (Retired)

Awards

Alaska Engineering Societies, Engineer of the Year, 2012

American Society of Civil Engineers, Alaska Section, Engineer of the Year, 2012

Construction Specifications Institute, Cook Inlet Chapter, Engineer of the Year, 1999

Alaska Society of Professional Engineers, Anchorage Chapter, Engineer of the Year, 1993

National Society of Professional Engineers, Fellow, 2013

Colin Maynard, PE, SE, F.NSPE

Community Involvement

Board of Registration for Architects, Engineers & Land Surveyors, 2012-2020, 2024-present

Served two terms as chair.

NCEES Education Committee, 2012-2014

NCEES Committee on Uniform Procedures and Guidelines, 2014-2018, Chair 2025-26

NCEES Advisory Committee on Council Activities, 2018-2020

NCEES Western Zone Leadership Committee, 2024-present

Alaska Seismic Hazard Safety Commission, 2023-present

Vice-Chair, 2024-25

Chair, 2025-present

Municipality of Anchorage, Board of Building Examiners and Appeals

Civil Engineering Member, 1995-2003

Chair, two terms

Structural Code Adoption Committee, 1989, 1992, 1995, 1998, 2001, 2004, 2007

Municipality of Anchorage, Arts Advisory Committee

Member 1987-1991

Chair, one term

Alaska Professional Design Council (APDC)

Legislative Liaison Committee, 1990-Present

Board of Directors, ASPE rep 1994-2001, SEAAK rep 2010-2016

President, two terms

Served on many ad-hoc committees

Alaska Society of Professional Engineers (ASPE) and National Society of Professional Engineers (NSPE)

Member, 1989-Present

Anchorage Chapter, Secretary/Treasurer, Vice President. President, 1989-1992

Alaska Society, Vice President, President, 1997-1999

Alaska Engineering Education Foundation Board, Member and President 1998-2000

Mathcounts, Anchorage and State Coordinator, Grader, various years

Instructor, PE Refresher Course, various years

American Society of Civil Engineers

Member 1980-Present, Life Member 2023-present

Instructor, PE Refresher Course, various years

Structural Engineers Association of Alaska

Member, 1990 – Present, Life Member, 2020-Present

Board Member and President

Member, Several Ad-Hoc Committees

Construction Specifications Institute, Cook Inlet Chapter

Member, 1996-2004

President, 1998-1999

Boy Scouts of America, Great Alaska Council (Western Alaska Council)

Scout, 1968-1975, Eagle Scout

Camp Gorsuch, Waterfront Staff, including Director, 1973-1975

Exploring District Commissioner, 1987-1989

Scoutmaster, 1996-2001

West Anchorage High School Foundation

Board Member, 2013-2024

University of Alaska, Anchorage, Northern Design Class adjunct instructor

Structural Session, 2012-present

Code Adoption Session, 2013-present
