Subject: Please support CSHB 25(L&C) AM (DISPOSABLE FOOD SERVICE WARE)
Date: Monday, May 4, 2026 9:19:03 AM

Dear Sirs,

I'm writing to urge you to support **CSHB 25(L&C) AM**.

Food service ware is a major contributor to micro-plastic pollution -- now found in Alaska's soils, ice, water, and fish. Please take action to help reduce their impacts.

Sincerely,

Steve Behnke
