

# Senator Scott Jiu Wo Kawasaki

Serving Fairbanks, Fort Wainwright & Badger Road

## Senate Bill 286 Version A

“An act establishing a toll for use of James Dalton Highway by certain vehicles and providing for an effective date.”

### **Section 1:**

Amends AS19.40

Adds a new section to the Alaska Statutes that designates the James Dalton Highway between mileposts 413 and 415 as a toll road. It requires the state to collect tolls from vehicles transporting goods or personnel for oil and gas developers, explorers, or producers, with rates set to cover the highway's industry-related maintenance costs. It exempts the Alyeska Pipeline Service Company and non-industry vehicles, while providing a legal mechanism for vehicle operators to be reimbursed by the oil and gas companies they serve.

### **Section 2:**

Amends AS 37.05.1469(C)

To read Revenue collected from James Dalton Highway Tolls AS 19.40.215.

### **Section 3:**

Provides the effective date of July 1, 2028.
