JUUL Ads

Youth are targets of industry marketing. While the legislation protects advertising of tobacco products on the left, vapor product marketing is totally unregulated.

**1994** – The “Waxman Hearings” – After 50+ years, the CEO’s of the major U.S. cigarette manufacturers appear before Congress, swearing under oath that their products (nicotine in particular) were neither addictive nor harmful to human health.

**2007-present** – Industry advocates insist E-Cigarettes are neither addictive nor harmful, that they are safe, healthy alternative to tobacco, and that more time, research and data is needed to study its effect on human health.
