FISCAL NOTE ANALYSIS

STATE OF ALASKA
2026 LEGISLATIVE SESSION

BILL NO. CSSB 140(FIN)

Analysis

SB 140 creates a new section in AS 29.60 that establishes a fire station grant program in the Department of Commerce, Community, and Economic Development, as well as a fire station grant fund. The fire station grant fund would require a new fund code to be created.

The program will be a matching grant program available for construction or renovation of an eligible fire station. Each fiscal year, the department shall use at least 50 percent of the balance in the fire station grant fund on June 30 of the preceding fiscal year for fire station construction and renovation matching grants.

If this legislation passes, the Division of Community and Regional Affairs (DCRA) will need to adopt regulations for the program. Those will be combined with other planned projects or otherwise incorporated into the division's planned work. As a result, DCRA does not anticipate fiscal impact from this legislation and will administer the grant program with existing resources. This act has an effective date of July 1, 2026.
